Roger,

I was invited to sit in on a briefing that ORD has scheduled with R3 and R5 regarding GenX sampling done through one of ORD's studies in OH/WV. This is the same study we've known about since earlier in the summer. If you can join me, I'll call in from my office: 16th flr rm 425.

It has been rescheduled two times already, so hopefully, this date and time will hold.

4:00-4:45 pm

Please print or have access to the slides attached to this invitation for the meeting.
